Easter 2017 Do something different

A pilgrimage to Iona
The Holy Isle of Saint Columba
Holy Week: 9th–16th April 2017

Carrying a cross through the Highlands and Islands of Western Scotland.
A small community of pilgrims, bonded together for a journey spiritual and temporal.

100 miles, for 7 days, sleeping in church halls, hostels, wigwams and retreat houses, cooking for ourselves along the way.

A community of pilgrims, with many varied goals. Bonded by a spiritual purpose, a common end. Ecumenical in character, Christian in theme, with Celtic liturgy as the daily thread.
