## Easter 2017 Do something different

A pilgrimage to Iona  
The Holy Isle of Saint Columba  
Holy Week: 9<sup>th</sup>–16<sup>th</sup> April 2017

Carrying a cross through the Highlands and Islands of Western Scotland. A small community of pilgrims, bonded together for a journey spiritual and temporal.

100 miles, for 7 days, over windswept pass, down open glen, by sparkling loch & through crystal clear stream.

Sleeping in church halls, youth hostels, wigwams and retreat houses, cooking for ourselves along the way.

A community of pilgrims, with many varied goals.  
Bonded by a spiritual purpose, a common end.  
Ecumenical in character, Christian in theme, Celtic  
liturgy as the daily thread.
